**2. Composition / Information on Components****GHS-UIS classification:** Not Classified**GHS-US :Labeling:** No labeling required**Other hazards:** No additional information available**3. Hazards Identification****Substance:** Not applicable**Mixture:** Not applicable**OSHA regulations.****4. First Aid Measures****Ingestion:** Urgent medical attention is not required.**Inhalation:** If breathing is difficult transport victim to fresh air. If inhalation occurs consult a doctor.**Eyes:** Immediately rinse eyes with plenty of water for at least 15 minutes. If possible remove contact lenses. Consult a doctor immediately.**Skin:** Wash thoroughly with soap and water. Will cause a burning sensation on cuts and abrasions similar to orange juice.**5. Fire Fighting Measures****Extinguishing Media:**  
Water spray, CO2, dry chemical**Special Procedures:**  
Water spray should be used to cool fire exposed containers and/or disperse unignited vapors.. A self contained breathing apparatus is always recommended when fighting fires near chemicals.**Special hazards arising from substance:** Not dangerous reactions known.**6. Accidental Release Measures****Spill:** Contain spilled material. Transfer to secure containers. Where necessary use absorbent media to pick up material. User should determine if spill should be reported according to regulations.

## 7. Handling and Storage

**Precautions for safe handling:** Wash hands and other exposed areas with mild soap and water before eating, drinking, smoking and when leaving the work place. Ensure good ventilation in the work area to prevent the formation of vapors. Do not use before you have read and understood all warnings.

**Storage condition:** Store in original container in a cool, well ventilated location. Keep container closed when not in use.

**Avoid strong acids, bases and oxidizing agents.**

## 8. Exposure Controls / Personal Protection

|                                       |                                |                                                            |
|---------------------------------------|--------------------------------|------------------------------------------------------------|
| <b>Respiratory Protection:</b> N/A    | <b>Ventilation:</b> N/A        | <b>Protective Gloves:</b><br>Rubber for prolonged exposure |
| <b>Eye Protection:</b> Safety glasses | <b>Other Equipment:</b><br>N/A | <b>Work / Hygienic Practices:</b><br>Wash hands after use  |

## 9. Physical and Chemical Properties

|                                      |                                               |                                               |                                         |
|--------------------------------------|-----------------------------------------------|-----------------------------------------------|-----------------------------------------|
| <b>Boiling Point:</b><br>212F        | <b>Vapor Pressure:</b><br>Not data available  | <b>Vapor Density:</b><br>N/A                  | <b>Solubility in Water:</b><br>Complete |
| <b>Specific Gravity:</b><br>1.00     | <b>Melting Point, F:</b><br>No data available | <b>Evaporation Rate:</b><br>No data available | pH 4                                    |
| <b>Appearance:</b> Clear blue liquid |                                               | <b>Odor:</b> Mild odor                        |                                         |

## 10. Stability and Reactivity

|                          |                                                                 |                                      |
|--------------------------|-----------------------------------------------------------------|--------------------------------------|
| <b>Stability:</b> Stable | <b>Incompatibility:</b> Heat, strong oxidizers ,bases and acids | <b>Hazardous Polymerization:</b> N/A |
|--------------------------|-----------------------------------------------------------------|--------------------------------------|

## 11. Toxicological Information

**Acute toxicity:** Not classified

**Skin corrosion/irritation:** Based on the available data, the classification criteria are not met.

**Eye damage/eye irritation:** Based on the available data, the classification criteria are not met.

**Sensitization of skin or respirations:** Based on the available data, the classification criteria are not met.

**Mutagenicity of germ cells:** Based on the available data, the classification criteria are not met.

**Carcinogenicity:** Based on the available data, the classification criteria are not met.

**Reproductive toxicity:** Based on the available data, the classification criteria are not met.

**Specific target organ toxicity**

**(single exposure):** Based on the available data, the classification criteria are not met.

**Specific target organ toxicity**

**(repeated exposure):** Based on the available data, the classification criteria are not met.

**Symptoms after ingestion:** Based on the available data, the classification criteria are not met.

## 12. Ecological Information

|                         |                         |                           |

### 13. Disposal Consideration

**Waste Disposal:** Dispose of in accordance with all federal, state and local regulations.

**Ecology – Waste materials:** Avoid release to the environment.

### 14. Transport Information

In accordance with ADR / RID / ADNR / IMDG / ICAO / IATA

14.1. UN number

Not applicable

UN proper shipping name

Proper shipping name: NOT REGULATED

Additional information

No additional information available

### 15. Regulatory Information

**US Federal Regulations**

Contents of this MSDS comply with the OSHA Hazard Communication Standard 29CFR 1910.1200.  
(HazCom 2012)

**TSCA Status:** All chemical substances found in this product comply with the Toxic Substances Control Act inventory reporting requirements.

**US State Regulations**

**California:**

This product contains No chemicals listed by the State of California under Proposition 65.
