

Product Name: I-85**GENERAL PRODUCT INFORMATION****Manufacturer:** Giant Finishing, Inc.**Address:** 600 Factory RD Addison Illinois 60101**Emergency Telephone Number:** 708-343-6900**1. Chemical Product and Company Identification**

Product Name: I-85	CAS Number: N/A	Emergency Contact #:	Date of Issue 01/13/2020	Last Revision: 01/13/2020
---------------------------	------------------------	-----------------------------	---------------------------------	----------------------------------

2. Composition / Information on Components**GHS-UIS classification:** Not Classified**GHS-US :Labeling:** No labeling required**Other hazards:** No additional information available**3. Hazards Identification****Substance:** Not applicable**Mixture:** Sodium metasilicate (<6%)**4. First Aid Measures****Ingestion:** If swallowed, do not induce vomiting. Dilute with egg whites, gelatin or large amounts of water. Immediately consult physician.**Inhalation:****Eyes:** Flush eyes with water for 15 minutes. Consult physician.**Skin:** Immediately rinse skin with cold water, then wash exposed skin with soap and water. Launder exposed clothing before using again.**5. Fire Fighting Measures****Extinguishing Media:**
Water spray, CO2, dry chemical**Special Procedures:**
Water spray should be used to cool fire exposed containers and/or disperse unignited vapors.. A self contained breathing apparatus is always recommended when fighting fires near chemicals.**Special hazards arising from substance:** Not dangerous reactions known.**6. Accidental Release Measures****Spill:** Contain spilled material. Transfer to secure containers. Where necessary use absorbent media to pick up material. User should determine if spill should be reported according to regulations.

7. Handling and Storage

Precautions for safe handling: Keep from freezing

8. Exposure Controls / Personal Protection

Respiratory Protection: N/A	Ventilation: N/A	Protective Gloves: Rubber if exposure is drying skin
Eye Protection: Safety glasses	Other Equipment: N/A	Work / Hygienic Practices: N/A

9. Physical and Chemical Properties

Boiling Point: 212F	Vapor Pressure: No data available	Vapor Density: N/A	Solubility in Water: Complete
Specific Gravity: 1.1	Melting Point, F: No data available	Evaporation Rate: Similar to water	pH 8
Appearance: Water white liquid		Odor: Mild odor	

10. Stability and Reactivity

Stability: Stable	Incompatibility: Strong oxidizers and acids	Hazardous Polymerization: N/A
-----------------------------	---	--------------------------------------

11. Toxicological Information

Acute toxicity: Not classified

Skin corrosion/irritation: Based on the available data, the classification criteria are not met.

Eye damage/eye irritation: Based on the available data, the classification criteria are not met.

Sensitization of skin or respirations: Based on the available data, the classification criteria are not met.

Mutagenicity of germ cells: Based on the available data, the classification criteria are not met.

Carcinogenicity: Based on the available data, the classification criteria are not met.

Reproductive toxicity: Based on the available data, the classification criteria are not met.

Specific target organ toxicity

(single exposure): Based on the available data, the classification criteria are not met.

Specific target organ toxicity

(repeated exposure): Based on the available data, the classification criteria are not met.

Symptoms after ingestion: Based on the available data, the classification criteria are not met.

12. Ecological Information

Ecotoxicological Completely biodegradable	Bioaccumulation: Not Established	Other Information:
---	--	---------------------------

13. Disposal Consideration

Waste Disposal: Dispose of in accordance with all federal, state and local regulations.

Ecology – Waste materials: Avoid release to the environment.

14. Transport Information

HEALTH 0 REACTIVITY 0 FLAMMABILITY 0 PROTECTIVE EQUIPMENT B

All statements, information and data included herein are believed to be accurate and reliable but are presented without any guarantee. Users should make their own investigations to determine the suitability of this product to their own needs.

In accordance with ADR / RID / ADNR / IMDG / ICAO / IATA

14.1. UN number

Not applicable

UN proper shipping name

Proper shipping name: NOT REGULATED

Additional information

No additional information available

15. Regulatory Information

US Federal Regulations

Contents of this MSDS comply with the OSHA Hazard Communication Standard 29CFR 1910.1200.

(HazCom 2012)

TSCA Status: All chemical substances found in this product comply with the Toxic Substances Control Act inventory reporting requirements.

US State Regulations

California:

This product contains No chemicals listed by the State of California under Proposition 65.
